This is a bright and spacious top floor flat, situated in Marchmont, one of Edinburgh's most popular residential areas which lies approximately two miles south of the city centre. There are excellent local shops in Marchmont itself with a further choice in nearby Bruntsfield or Newington. Frequent buses run close by giving quick and easy access to the city centre and surrounding areas. The area is also well served with a wide variety of sport and leisure facilities including Warrender Swimming Baths and Pulse Centre, the Kings Theatre, Bruntsfield Links and the Meadows.

Entrance to the flat is through a well-maintained common passage and stair with the added security of an entry phone system. The common passage also gives access to the communal garden to the rear of the tenement.

Internally the property is in good order and benefits from gas central heating, sash and case windows and good storage facilities.. All the carpets and curtains and blinds are included in the sale together with the kitchen appliances. Most other items are available through separate negotiation.

The flat conforms to current HMO requirements including fire doors and smoke detection system. The property would make an ideal family home or an excellent investment property having been successfully let for many years.
