We are delighted to bring to the market this spacious three-bedroom end terraced house, in a desirable location, which would make an ideal home for a wide variety of purchasers. Inside this property, you will find an inspired layout over two levels, providing light-filled and spacious accommodation. The current owners have spent the last few weeks giving the property a revamp to include new windows, electrics, a thorough make-over on the roof, a jet-wash of the building and paths/slabs that surround the building as well as an all round freshen up.

Room dimensions are generous and the accommodation has been arranged to offer flexibility and individuality. The formal lounge is pleasantly located to the rear of the property and is flooded with natural light from the doors providing access into the rear garden. The kitchen has a range of floor and wall-mounted units with a contemporary worktop, creating a fashionable and efficient workspace. There is plumbed space for free-standing appliances. One of the bedrooms is located on this level and could be transformed to meet each individual purchaser's needs and requirements.
